### **NOTICE TO THE BAR AND TO THE PUBLIC**

Please be advised that the Judicial Conference at its March 2002 session amended the language of Section I of the Electronic Public Access Fee. The amendment places a cap on the seven cents per page charge for Internet access to data obtained electronically from the public records of individual cases in the courts. The amendment establishes that a user will be charged a maximum of \$2.10, the equivalent of 30 pages, for electronic access to any single document. Attachments will be treated as separate documents.

The 30 page cap became effective April 1, 2002, for Bankruptcy CM/ECF courts and will become effective July 1, 2002 for District CM/ECF courts in conjunction with the normal billing cycle for the PACER system.
